

March 3, 2022

Dear Liturgical Ministers,

Thank you! I am most grateful to all of you who have remained faithful to your ministry for our liturgical celebrations despite covid, various restrictions and limitations. As we begin to return to some greater semblance of normalcy, we will need more of you to step up again and reclaim your role in ministry.

Recently, **The Office of Liturgy** sent parishes a list of parishioners regarding **the need for Recertification or Renewal for Extra-ordinary Ministers of the Eucharist**. In reviewing the list, some parishioners had died, moved out of state, or their certification had expired in 2018. Some renewals were due in 2022. The Office of Liturgy extended certification for those due in 2022 to 2023. We did do some renewals here at the parish. Some who take communion to individuals and could not make the renewal were directed to make a holy hour as part of their renewal. I will be scheduling a renewal for certification of Ex. Ministers of Holy Communion after Mass on Saturday, March 26 and Sunday, March 27.

Lectors, Hospitality, Mass Directors, Sacristans, and Altar Servers could use a “tune-up” or renewal as well. I will plan to do this after the weekend Masses of Mar. 19 and 20. If you know of someone who would like to be trained for any of these ministries, please encourage them to attend. The dates will be posted in the March 12/13 bulletin and announced March 5/6.

Altar Table Assistance: If you are assisting with removing items from the credence table to the sacristy, please be careful to avoid setting the chalice or anything hard on the small patten dish which is showing scratch marks. Always place a purificator cloth between items. Be careful of the chalice as well. If you take the hand washing dish, water, and towel from the side altar table to the credence table, please do not toss the towel like a rag, refold it and place it on the credence table. Please set the empty wine cruet on the tray, not the table cloth on the credence table as sometimes wine stains the table cloth. I believe the priests would both appreciate help with hand washing at both masses now. If I receive any further changes that return to normal such as holding the Missal/binder, I will let you know. Masks are still worn to distribute communion.

Again, thank you for your service. Let us pray for a peaceful world!

Sincerely in Christ,

Sister Janet Pewoski, CSJ

Director of Parish Life
